Agenda item 65 (u)
General and complete disarmament: implementation of the Convention on the Prohibition of the Development, Production, Stockpiling and Use of Chemical Weapons and on Their Destruction

Poland: draft resolution

Implementation of the Convention on the Prohibition of the Development, Production, Stockpiling and Use of Chemical Weapons and on Their Destruction

The General Assembly,

Recalling its previous resolutions on the subject of chemical weapons, in particular resolution 58/52 of 8 December 2003, adopted without a vote, in which it noted with appreciation the ongoing work to achieve the objective and purpose of the Convention on the Prohibition of the Development, Production, Stockpiling and Use of Chemical Weapons and on Their Destruction,[1]

Determined to achieve the effective prohibition of the development, production, acquisition, transfer, stockpiling and use of chemical weapons and their destruction,

Noting with satisfaction that since the adoption of resolution 58/52, eight additional States have ratified the Convention or acceded to it, bringing the total number of States parties to the Convention to one hundred and sixty-six,

Reaffirming the importance of the outcome of the First Special Session of the Conference of the States Parties to Review the Operation of the Convention, including the Political Declaration, in which the States parties reaffirm their commitment to achieving the object and purpose of the Convention, and the Final Report, which addressed all aspects of the Convention and made important recommendations on its continued implementation,

[1] See *Official Records of the General Assembly, Forty-seventh Session, Supplement No. 27* (A/47/27), appendix I.

1. *Emphasizes* that the universality of the Convention on the Prohibition of the Development, Production, Stockpiling and Use of Chemical Weapons and on Their Destruction[1] is fundamental to the achievement of its objective and purpose, and acknowledges progress made in the implementation of the Action Plan for universality of the Convention, and calls upon all States that have not yet done so to become parties to the Convention without delay;

2. *Underlines* that the Convention and its implementation contribute to enhancing international peace and security, and emphasizes that its full, universal and effective implementation will contribute further to that purpose by excluding completely, for the sake of all humankind, the possibility of the use of chemical weapons;

3. *Stresses* that the full and effective implementation of all provisions of the Convention is in itself an important contribution to the efforts of the United Nations in the global fight against terrorism in all its forms and manifestations;

4. *Also stresses* the importance to the Convention that all possessors of chemical weapons, chemical weapons production facilities or chemical weapons development facilities, including previously declared possessor States, should be among the States parties to the Convention, and welcomes progress to that end;

5. *Notes* that the effective application of the verification system builds confidence in compliance with the Convention by States parties;

6. *Stresses* the importance of the Organization for the Prohibition of Chemical Weapons in verifying compliance with the provisions of the Convention as well as in promoting the timely and efficient accomplishment of all its objectives;

7. *Urges* all States parties to the Convention to meet in full and on time their obligations under the Convention and to support the Organization for the Prohibition of Chemical Weapons in its implementation activities;

8. *Reaffirms* the undertaking of the States parties to foster international cooperation for peaceful purposes in the field of chemical activities of the States parties and the importance of that cooperation and its contribution to the promotion of the Convention as a whole;

9. *Notes with appreciation* the ongoing work of the Organization for the Prohibition of Chemical Weapons to achieve the objective and purpose of the Convention, to ensure the full implementation of its provisions, including those for international verification of compliance with it, and to provide a forum for consultation and cooperation among States parties, and also notes with appreciation progress made in the implementation of the Action Plan on the implementation of article VII obligations;

10. *Welcomes* the cooperation between the United Nations and the Organization for the Prohibition of Chemical Weapons within the framework of the Relationship Agreement between the United Nations and the Organization, in accordance with the provisions of the Convention;

11. *Decides* to include in the provisional agenda of its sixtieth session the item entitled "Implementation of the Convention on the Prohibition of the Development, Production, Stockpiling and Use of Chemical Weapons and on Their Destruction".
